2022 WEDDING GUIDE

Thank *you*

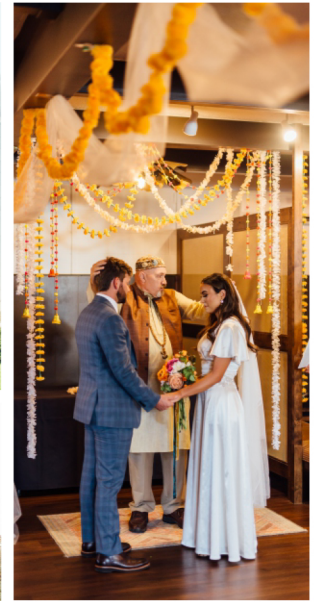

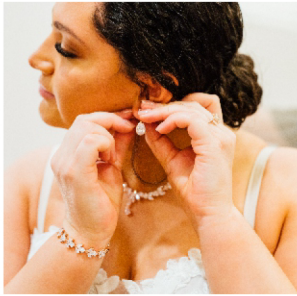

Your wedding day is easily one of the best days of your life, if not the very best! The photographer you choose is a big decision. You will look at your pictures for the rest of your life to remember this special day! So thank you from the bottom of my heart for trusting me with one of the most important parts of your wedding. I promise to capture every detail the way I would want them photographed at my own wedding. I hope that my calm nature, and almost 10 years of experience will put your mind at ease. I look forward to not only working with you but getting to know you as a friend!

Working with Jenisse was absolutely phenomenal! She was accommodating to our schedule, got us our pictures incredibly quickly, and they all look fabulous. She made taking pictures comfortable and easy- we can not recommend her enough.

She's super nice and not to mention her photography skills are literally the greatest. The easiest choice I've ever made asking her to photograph our wedding. Highly recommend her for ALL of your photography needs.

Jenisse is an excellent wedding photographer. We have been pleased with the portfolio of bridal, wedding, and reception pictures she has created for my daughters. She listens and is responsive to requests. I'm especially impressed with the quality and speed she can get the pictures back to us. I highly recommend her services!

Jenisse did a BEAUTIFUL job of capturing our reception. She made sure to get tons of great quality photos of all of the guests, and of my husband and I!! We will cherish these photos forever. I'm so glad we went with her.

The pictures are beautiful!!! I wish I had five more kids so that you could do all of their weddings. You are so talented. Thank you so very much!

Just wanted to say thanks so much for everything!!! I LOVE, LOVE, LOVE my pictures! I seriously just look at them and cry because that day was so perfect. You were so amazing to work with and I will definitely recommend you to everyone I know looking for a photographer (: Thanks again!
